All items not listed in the Catalogue may be obtained by a memorandum order through the District Storekeeper at Harrisburg and Philadelphia. Such orders should be forwarded to the District Storekeeper on the 15th of each month.

This catalogue has been prepared for use of personnel who have the responsibility of ordering stationery, office supplies and miscellaneous drafting room supplies. Items shown in this catalogue are to be ordered on SK-3 requisitions from Stationery Storekeeper, Pittsburgh, Pa.

Items which are not listed in this catalogue, either by item or category, are to be obtained as follows:

- System offices, Philadelphia, Pa., order on SK-3 requisition on Purchasing Department
- System offices, other than Philadelphia, Pa., order on SK-3 requisition on Stationery Storekeeper, Pittsburgh, Pa.
- Regional offices on blanket requisitions that have been issued to Regional Managers.

It must be understood, however, that large quantity purchases of special items shall be ordered through Stationery Storekeeper and the Purchasing Agent.

Proper usage of this catalogue, together with judicious use of blanket requisitions should provide requirements at the lowest over-all cost and at the same time permit maintenance of lower inventories of such materials.
