**WELCOME ABOARD THE NEW**

**PENNSY AEROTRAIN**

# Your Guide to the new **PENNSY AEROTRAIN**

We welcome you aboard THE PENNSY AEROTRAIN . . . our latest contribution to economical coach rail travel.

By now, you have undoubtedly noted that this train is strikingly different. Constructed by General Motors, THE AEROTRAIN brings together for the first time the newest concepts in motor car design with the latest engineering ideas in train design.

Because this sleek streamliner is unique in styling and construction, some of its features are being introduced on an experimental basis for your approval. For example—compressed air in rubber bellows instead of conventional

springs which gives you an air-suspension ride. And four types of food service . . . tasty budget selections for breakfast, luncheon and dinner . . . "the coffee break" and for between-meal snacks.

All in all, the PENNSY AEROTRAIN presents a wholly different concept of all-coach travel! With colorful decorative schemes, unusual ideas, up-to-the-minute appointments—*here is a new type of streamliner*—and another Pennsylvania Railroad endeavor to provide lower-cost passenger equipment to meet the needs for tomorrow's fast, comfortable coach travel.

## **ALL-NEW FEATURES**

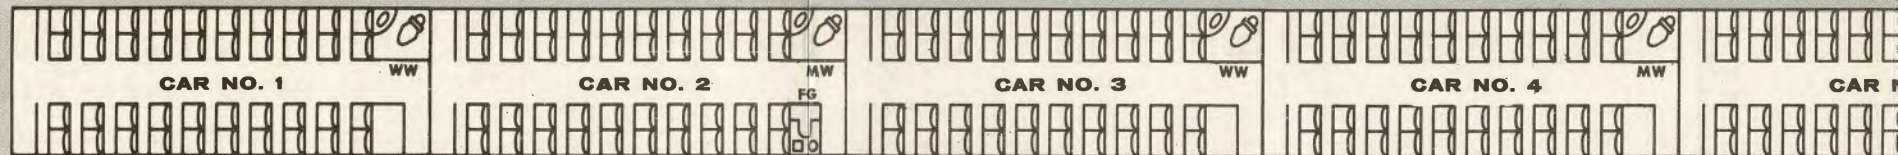

### **on the PENNSY AEROTRAIN!**

- Comfortable foam-rubber reclining seats in colorful coaches
- Softly-tinted picture windows
- Electrically controlled air-conditioning and heating
- Fluorescent lighting
- Snap-on individual seat lights for reading
- Convenient luggage racks
- Bellows-type air suspension instead of springs
- Slide-away doors between cars
- Low cost meals and refreshments
- Coach Attendants
- And many other features

# This diagram shows location of various faci

## HOT TRAY SERVICE MEALS FOR LUNCHEON AND DINNER SERVED IN CAR 2

A "tasty experiment" on the AEROTRAIN! Appetizing meals comprising a hot menu such as beef casserole, roll, salad, dessert and beverage—for only \$1.50. New for Pennsy patrons, this service requires special equipment, special training for attendants. Experience will teach us much, hence we're

limiting it to Car 2 while we see how you like it . . . and we see how it works. Of course, passengers in other coaches are welcome to take advantage of this service when seats and supplies are available in these two cars.

## BUFFET-BOX MEALS FOR LUNCHEON AND DINNER SERVED IN ALL CARS

Another novel innovation! Here's a sample menu of the attractive buffet-box container:

Price—only \$1.00

½ Ham Sandwich on Rye  
½ Cream Cheese and Olive Sandwich on Whole Wheat  
½ Chicken Sandwich on White  
Cake or Pastry • Apple • Potato Salad • Coffee  
Salt and paper napkin included

10c

# ilities available on the new PENNSY AEROTRAIN

## OR COFFEE AND SNACKS

5 AND 6

No. 2

5)

dy bars,  
crackers

Machine No. 3

(Car No. 6)

Coffee, black  
Coffee, with sugar  
Coffee, with cream and sugar  
10c

## COACH LUNCH SERVICE ITEMS SOLD IN ALL CARS

All breakfast meals will be provided by coach lunch service. This service will also be available during and between other meal hours. Attendants will offer a variety of

items such as coffee, milk, soft drinks, fruit juices, ice cream, candy—each priced at 15c or less. A selection of tasty sandwiches is also available, ranging from 30c to 50c.

## CONVENIENT WASHROOM FACILITIES

Convenient washroom facilities are located at the rear of each car as illustrated above. Those assigned for women are in Cars 1, 3, 5,

7 and 9. Men's washrooms have been designated in Cars 2, 4, 6 and 8.
