TELEPHONE SERVICE

The Bell System's "Fastest Phone In the East" is the convenient way to keep in touch while you're aboard the Metroliners. Touch Tone® coin telephones are available on every Snack Bar Car and Metroclub Car on the New York-Washington route.

You can dial your own calls directly from the train and receive incoming calls as well. The local telephone company assistance operator will connect your party when they ask for the High Speed Train.

For as little as one dollar plus tax you can enjoy the entirely new telephone service.

Isn't there someone you should call now?
