COLLECTION AND DELIVERY SERVICE

**One Transaction
One Responsibility
One Bill**

For less than carload freight Pennsylvania Railroad's Door-to-Door service has proved a boon to shippers generally. Just call the Pennsylvania agent—and the railroad takes the matter out of your hands. It picks up shipments by truck—hauls by train—and delivers by truck to the consignee's door. The railroad assumes full responsibility—there's a single bill for the job. No red tape—unnecessary bookkeeping or other complications.

Next time you have less than carload freight—call your nearest Pennsylvania Railroad agent.

PENNSYLVANIA RAILROAD

It's even more enjoyable these days to eat on Pennsylvania Railroad air-conditioned dining cars. Now that air-conditioning has abolished all seasons, Summer specialties are as popular in Winter as hot dishes are

relished in the torrid days of Summer. Among such year-round favorites now is the popular salad bowl—a crisp, eye-tempting dainty that's as appealing as it is economical and satisfying. Ask for it next time you visit the dining car.

THE LARGEST FLEET OF AIR-CONDITIONED TRAINS IN THE WORLD

*"An
upper?"*

Thrifty travelers were quick to discover the advantage of upper berths on Pennsylvania Railroad air-conditioned sleepers.

The fresh, pure air that fills the car is as conducive to refreshing, restful sleep in upper as well as lower berths. No stuffy overheated air. No drafts. Dust and noise locked out. Another and most important reason why you "arrive in condition" on the Pennsylvania Railroad.
