PRINTS OF FOUR FAMOUS PRR PAINTINGS

If you've ever stopped to watch a train go by, you'll appreciate the power and charm of these dramatic renditions of Pennsy trains in action. Handsome full-color prints, they can make an interesting addition to your den or office. The 4 paintings are reproduced from deep-etched lithographed plates and printed on fine antique stock. They are offered by the Pennsy at the modest price of \$2.00 for the complete set. The prints measure 16 x 12 inches—a standard picture-frame size—and come in a portfolio that also serves as a natural package. The originals, painted by Grif Teller, were reproduced on PRR calendars for the years 1932, 1950, 1952, and 1960. Send for your full-color prints today.

Here's Some Helpful Information

This time table has been prepared to give you, as a valued customer, as much useful information as possible about the principal passenger service of the Pennsylvania Railroad. The purpose of this section is to help you to use the time table and obtain the information you need.

HOW TO USE THIS TIME TABLE

WHERE ARE YOU GOING? The first step in finding the right schedule is to look for your destination in the Index of Stations on pages 2 and 3. This index states the number of the table showing service to that city. Some cities are shown in more than one table since the Pennsylvania Railroad serves many cities from more than one direction. Also useful is the Index of Condensed Through Time Tables on page 2 and the System Map on pages 20 and 21.

YOUR MOST CONVENIENT SCHEDULE can usually be found by looking first for your starting point and destination in the list of cities in each table. In tables where the list of cities is to the left read down to follow train schedules. To make as much information available as possible in small space, some tables show schedules in both directions by listing the stations served in the center of the table. In these tables the schedules of trains shown are followed by reading from top to bottom on the left hand side and from bottom to top on the right hand side.

NAMES, NUMBERS AND FREQUENCY. Each Pennsylvania Railroad train has its own number and most of those shown in this folder have a name. Both are shown at the top of the schedule column in most cases. Knowing the name and number of your train is useful since they are used to identify trains in our station announcements and on bulletin boards.

Not all trains operate daily. The days of the week on which a train operates are usually shown at the top of the table but in a few tables, reference marks are used to give this information.

WHAT KINDS OF CARS ARE OPERATED? Also near each table in this folder is a list of the kinds of cars operated in each train. From these lists it is quickly possible to find out whether sleeping cars, parlor cars and coaches are available on the schedule most convenient for you. They also show the types of sleeping accommodations such as Roomettes, Bedrooms or Drawing Rooms offered, whether your train has reclining seat coaches and whether dining car service and lounge car service are available.

ABOUT REFERENCE MARKS. Small symbols such as "f" or "★" or "g" appear opposite some schedule figures. Each of these is used to give you important information. Near each table in this folder is a list of the meanings of the reference marks used in that table.

THE COST OF YOUR TRIP can be quickly determined by looking at the listing of railroad fares and sleeping car and parlor car charges between principal stations shown on pages 35 and 36.

MAPS CAN BE HELPFUL in following the route of your trip and in other ways. A map of the Pennsylvania Railroad is on pages 20 and 21 and maps of several important cities follow on pages 22 and 23. These city maps show where principal railroad stations are located and in some cases they also show the routes of convenient nearby urban transportation and the location of important points of interest.

TICKETS, RESERVATIONS AND ADDITIONAL INFORMATION are available in principal cities at the offices at the bottom of page 39. In all cities on the Pennsylvania Railroad, the personnel of ticket offices stand ready to assist you.

GENERAL INFORMATION

PENNSYLVANIA RAILROAD TIME TABLES are as accurate as experience and great care can make them. LIBERAL BAGGAGE CHECKING PRIVILEGES ARE A FEATURE OF RAIL PASSENGER SERVICE. On payment of a nominal baggage checking service charge (35c per piece of hand baggage and 75c per trunk), the Pennsylvania Railroad and connecting railroads will check and transport your baggage in baggage cars. There is no additional charge for up to 150 pounds of baggage with value of not more than \$100.00 for each adult passenger and 75 pounds of baggage with value of no more than \$50.00 for child traveling on half-fare ticket. Baggage of greater weight or value than the amounts listed above will be handled on payment of the proper charges. The charge for additional weight depends on the weight and the distance baggage is to be checked. The charge for additional value is 30c for each \$100.00 or fraction thereof over the valuation allowed on tickets.

CHECKABLE BAGGAGE IS DEFINED as wearing apparel, toilet articles (except liquids) and personal effects appropriate for the comfort and convenience of passengers on their trips and not intended for other persons nor for sale. Money, jewelry, silverware, negotiable papers and like valuables, liquids, fragile or perishable articles, radios and household goods must not be included in checked baggage—the railroads will not be responsible for such articles.

DOGS AND OTHER SMALL HOUSEHOLD PETS in substantial crates or cages will be carried in baggage cars as provided in tariffs. Dogs, cats or other animals (not venomous, malodorous or otherwise objectionable) may also be taken by their owners in sleeping car private rooms. Any animal transported in a private room must be in a basket or other container except that dogs may be leashed and muzzled instead of in containers. In addition, small dogs, cats and other small household pets are permitted in coaches (not reserved seat coaches) but cannot occupy a seat or cause annoyance to other passengers.

WEIGHT OF CHECKED BAGGAGE IS LIMITED to 300 pounds for any single piece.

LIABILITY FOR CHECKED BAGGAGE IS LIMITED to \$2,500.00 in value and no single shipment of greater value can be accepted. Free allowance and liability are subject to tariff stipulation as to contents, weight and value.

IDENTIFY YOUR BAGGAGE by marking or tagging each piece, both inside and out with your name and permanent address. This is a wise precaution whether baggage is to be checked or taken with you on the train.

LIBERAL BAGGAGE PRIVILEGES, TOO! Take the "Lug" out of Luggage—See pages 5 & 6.

...And Still More Helpful Information

BAGGAGE (Continued)

CHECK YOUR BAGGAGE EARLY so that it may be forwarded on a train ahead of the one you plan to use. The Pennsylvania Railroad and other railroads handle checked baggage as promptly as possible, but as some trains do not have baggage service the arrival time of your baggage cannot be guaranteed.

PICK UP YOUR BAGGAGE PROMPTLY to avoid storage charges on baggage left longer at destination than the free time allowed. This free time is 24 hours.

BAGGAGE DELIVERY SERVICE CAN SIMPLIFY YOUR TRIP by freeing you of luggage not needed enroute. Baggage may be checked through to home address, hotel, steamship pier, etc. in many cities. The baggage checkman where your trip starts can arrange to have it handled through to a local address at your destination. The reasonable charges for this service may be paid either at your starting point or destination.

TRAINS HAVE ROOM FOR BAGGAGE. While it is wise to check unneeded baggage and thus make your trip simpler and more convenient, you can be sure that there will be room in or near your space on the train for the normal amount of luggage needed during your trip.

FREE SELF SERVICE LUGGAGE CARTS are available at Union Stations in St. Louis, Mo., Chicago, Ill., Cincinnati, O. Louisville, Ky. and Washington, D. C.

EXTRA CONVENIENCE FOR CHECKING HAND BAGGAGE IS AVAILABLE

AT CHICAGO. Passengers holding through tickets and changing stations at Chicago may turn their hand baggage over to the Railroad Transfer Co. on arrival and pick it up later at the parcel room of the station from which they will depart. This can be done on presentation of the transfer coupon (which is part of through rail tickets) and payment of 25c per piece plus the parcel room charge applying at the outbound station. At least three hours time between trains is necessary for this service.
