SUGGESTIONS HELPFUL IN THE USE OF THIS FOLDER

First, find your station in alphabetical index to Stations below. The numbers shown opposite each station indicate tables showing train schedules to and from each station. Condensed train schedules are shown in this time table and are listed numerically.

Equipment carried on through trains, shown in tables 1 to 10 inclusive, such as sleeping cars, coaches, parlor cars and dining cars, is listed in numerical order on pages 4 to 7, inclusive. For other tables, equipment is shown with the schedules.

Time from 12:01 midnight to 12:00 noon is shown in LIGHT figures, while time from 12:01 noon to 12:00 midnight is shown in DARK figures.

All Schedules shown are based on Standard Time

Where station columns appear in center of certain tables—for example, table 11 on page 26—time figures on right-hand side should be read from bottom to top, while figures on left-hand side read from top to bottom.

Note carefully any sign, symbol or letter shown in schedule columns, as it is very important that you read the explanation under Reference Marks on same page.

In many tables you will find ruled lines with one or more stations intervening. Such ruled lines indicate that stations thus set apart are located on lines beyond or branching out from the line covered by the table and show connecting service. Follow your trip with map on pages 24 and 25.

The Horseshoe Curve

Horseshoe Curve, completed in 1854, is situated just West of Altoona, Pa. It is one of the great accomplishments of engineering history, a symbol of the progressive efforts and vision of early railroad leaders, and one of the scenic wonders of railroad travel. Annually, more than two million passengers are transported . . . and over 23,000 freight trains composed of nearly 1,750,000 freight cars are operated over this main-line, four-track route—a notable indication of the important part it plays in linking our Nation, East and West.

RAILROAD STATIONS IN CHICAGO

GENERAL INFORMATION

PASSENGER

THE TIME from 12.01 a. m. to 12 o'clock noon, inclusive, is indicated by light face type; from 12.01 p. m. to 12 o'clock midnight, inclusive, by dark-face type.

AIR-CONDITIONED TRAINS AND RECLINING SEAT COACHES—Air-conditioned equipment and reclining seat coaches have been assigned to regular sections of certain trains. Every effort will be made to provide this equipment but the right is reserved to employ non-air-conditioned cars and non-reclining seat coaches in such trains as may be necessitated by volume of traffic or operating contingencies.

PARLOR CARS—All parlor car service on the Pennsylvania Railroad, both local and interline, is operated by the Pullman Company.

ADJUSTMENT OF FARES—Should any misunderstanding arise with conductors or agents as to the proper fare or ticket privileges, please pay fare requested, take receipt and communicate with General Passenger Agent, Pennsylvania Station, Philadelphia 4, Pa.

CANCELLATION OF PULLMAN RESERVATIONS AND REDEMPTION OF PULLMAN TICKETS—If travel plans are changed, you are urged to cancel Pullman reservations promptly so that you may secure proper refund and space can be made available for use by other travelers. Pullman tickets will not be redeemed if space covered thereby was not released before the day of departure of train for which sold, except that during the period December 1 through April 30 Pullman tickets from stations north of Washington, D. C. to destinations in Florida south of Jacksonville, Fla. and Baldwin, Fla. will not be redeemed if space covered thereby was not released three days prior to day of departure of train for which sold. (Tickets for space in a car placed for occupancy before midnight but scheduled to depart at or after midnight and prior to 5:00 A. M. will be considered as having been sold for day on which car was placed for occupancy.)

Consult ticket agents with respect to handling for such refunds as are due or forward tickets direct to the General Passenger Agent, Pullman Company, Merchandise Mart, Chicago 54, Ill.

Exchange on day of departure—Under certain conditions, tickets for space which is released on the day of but not less than one hour before train departure will be exchanged by ticket agents for other tickets for corresponding trips commencing not more than seven days later. In no case will tickets issued in exchange be redeemed or again be exchanged.

CHILDREN—Under 5 years of age, free, when accompanied by parent or guardian; 5 years of age and under 12, one-half fare; 12 years of age or over, full fare.

INVALIDS AND INFIRM PASSENGERS—Wheelchair service is available at principal stations and the Pennsylvania Railroad will gladly arrange to assist passengers requiring special attention. There is no charge for this service. Advance notice may be given to the Station Master, Ticket Agent or any Passenger Traffic Representative when purchasing ticket or at start of your trip.

MEETING FRIENDS—Because Pennsylvania Railroad trains are sometimes operated in more than one section, it will be helpful to friends who plan to meet you to know the number or designation of the Pullman car or coach in which you have your reservation.

At the larger stations, a convenient central point to meet is the Information Bureau.

RED CAP PORTER SERVICE is available at principal stations at a charge of 25¢ for each bag or parcel. Carriers' liability is limited to not more than \$50.00 for each bag or parcel, including its contents, unless greater value is declared in writing by passenger. An additional charge of 20¢ per bag or parcel will be made for each \$100.00 or fraction thereof declared in excess of \$50.00. A bag or parcel having value in excess of \$500.00 will not be accepted under any circumstances.

RESPONSIBILITY—The Pennsylvania Railroad is not responsible for errors in time tables, nor for inconvenience or damage resulting from delayed trains or failure to make connections, or for shortage of equipment. The schedules and equipment shown in this time table are subject to change without notice.

TRANSFER COACHES IN CHICAGO—The Parmelee Company operates transfer coach service at Chicago to accommodate Pennsylvania Railroad patrons, arriving at the Union Station, who desire to transfer to other railroad stations. This service is available without extra charge upon presentation of the usual transfer coupon accompanying tickets reading to points 85 miles or greater beyond Chicago where change of stations is necessary.

For tickets reading to points less than 85 miles beyond Chicago, where change of stations is necessary, the charge for transfer services is \$1.20 or less according to destination.

TRAVELERS' CHEQUES—American Express Travelers' Cheques are on sale at principal ticket offices, offering a further convenience to patrons.

THE WESTERN UNION TELEGRAPH COMPANY handles messages at public telegraph offices on the Pennsylvania Railroad. Train and Pullman crews can also provide special blanks and dispatch messages from trains at certain specified waypoints with Western Union charges collected at destination, or billed direct to sender's home or business address at the sender's option.

TRAVELERS AID workers are at many of the railroad stations ready to assist inexperienced and unprotected travelers and all those in trouble away from home. Look for the TRAVELERS AID lamp, or ask station personnel where to find TRAVELERS AID.

BAGGAGE

DEFINITION OF CHECKED BAGGAGE—Wearing apparel, toilet articles (except liquids) and personal effects—necessary or appropriate for the wear, use, comfort and convenience of the passenger for the purpose of his journey and not intended for other persons nor for sale. Money, jewelry, silverware, negotiable papers and like valuables, liquids, fragile or perishable articles, radios and household goods must not be included in checked baggage—the railroads will not be responsible for such articles.

BAGGAGE—(Continued)

MARKING FOR IDENTIFICATION—Mark or tag each piece with your name and address and place your name and permanent address inside each piece, whether it is checked or carried with you on the train.

FORWARDING—Passengers are urged to check baggage in advance so that it may be forwarded on a preceding train. Every effort will be made to facilitate the handling of baggage, but the Railroad cannot guarantee to forward on same train with owner nor the arrival time at destination.

BAGGAGE ALLOWANCE—One hundred and fifty (150) pounds of baggage not exceeding one hundred (\$100.00) dollars in value for each adult passenger, and seventy-five (75) pounds not exceeding fifty (\$50.00) dollars in value for each child traveling on a one-half fare ticket will be transported in baggage cars without additional charge, except for a nominal baggage checking service charge of 25¢ per piece of hand baggage and 50¢ per trunk.

A charge is made for weight in excess of the above amounts. Passengers also have the privilege of declaring excess value on their baggage at a charge of twenty cents for each additional \$100.00 or fraction thereof over that allowed on their tickets. The valuation declared by one passenger may not exceed \$2,500.00.

MAXIMUM WEIGHT, SIZE AND LIABILITY—No single piece of baggage exceeding 300 pounds in weight or 72 inches in greatest dimension or single shipment exceeding \$2,500.00 in value, will be checked. Free allowance and liability is subject to tariff stipulation as to contents, weight, value and size.

STORAGE—A charge is made for storage of baggage left at railroad stations longer than the free time limit.

SPECIAL DELIVERY SERVICE—Before starting a trip passengers may telephone the Railway Express Agency or other authorized transfer company to call and pick up baggage and check through to home, hotel, etc., at destination—or if baggage is delivered at station, baggage checkman will on request check through to the local address, making collection of the delivery charge; or if desired, this charge may be paid to the transfer company on delivery at destination.

This service is convenient, relieves you of handling baggage at stations, and for a reasonable charge, places responsibility for the movement of your baggage to and from stations in the hands of an authorized transfer company.

DOGS and other small household pets are transported in baggage cars subject to tariff regulations. Dogs, cats or other small animals (not venomous, odoriferous or otherwise objectionable) when carried in baskets or containers, may be taken by purchasers of Pullman private rooms into the rooms they occupy, subject to established regulations. Dogs may be on leash and muzzled instead of in containers.

SPECIAL ARRANGEMENTS FOR CHECKING HAND-BAGS

At Chicago—Passengers holding through tickets may, on arrival in Chicago, deliver their hand baggage to Parmelee Company's Agent and secure claim check. The baggage will be transferred to the parcel room of station from which departure will be made and will be available on presentation of the claim check, if they have not less than three hours between trains. On presentation of transfer coupon, plus 25¢ per piece plus the parcel check room fee per piece applying at station to which luggage is sent will be collected.

Bags will also be checked and delivered by The Parmelee Company to any home, hotel, club or office address in Chicago at the regular transfer charge.

Check at Parcel Room of one Philadelphia Station, call for at another Philadelphia Station—Hand baggage may be checked at the Parcel Room at North Philadelphia or Pennsylvania Station (30th St.) and called for at either of these stations. There is no additional charge.

RAILWAY EXPRESS AGENCY—Operates Express Service of the Pennsylvania Railroad. This Agency maintains a unified, nation-wide system for the expedited transportation of shipments.
