Meal Service for Coach Passengers

Dining cars are operated at seasonal hours. Coach passengers on Philadelphia-New York trains on which dining car service is not available, and on which Pullman buffet cars are carried, may place their orders for food service with the Pullman car attendant, who will serve them from the coach menu in their seats in coach as promptly as practicable. Meal or beverage service, when provided coach passengers in the Pullman buffet car, will necessitate payment of Pullman fare and additional railroad fare.
