OPERATION LEVITTOWN REDUCED FARE TICKETS AND
SATURDAY TRAINS ARE SHOWN ON OTHER SIDE

WELCOME ABOARD!

"OPERATION LEVITTOWN" is a cooperative demonstration project sponsored by the Federal Government, and by Bucks County and the City of Philadelphia, under the Southeastern Pennsylvania Transportation Compact, to provide improved local train service at reduced fares on the Philadelphia-Torresdale-Levittown line of the Pennsylvania Railroad. It is similar to six other "Operations" managed by the Passenger Service Improvement Corporation and SEPACT serving other parts of Philadelphia and adjacent suburbs on lines of the Pennsylvania and Reading Railroads. Separate time tables are available for each "Operation".

Convenient, economical connecting bus service is provided at several stations within the City through the cooperation of the Philadelphia Transportation Company (PTC). Additional feeder bus service is planned at other locations. Improved and enlarged parking facilities have been installed at Levittown, Bristol and Croydon, more are planned at other stations. New air-conditioned electric commuter cars are being operated on many trains providing greater speed and comfort.

We appreciate having you as a customer and thank you for your continued cooperation in helping to make "Operation Levittown" an outstanding success.
