

WELCOME ABOARD!

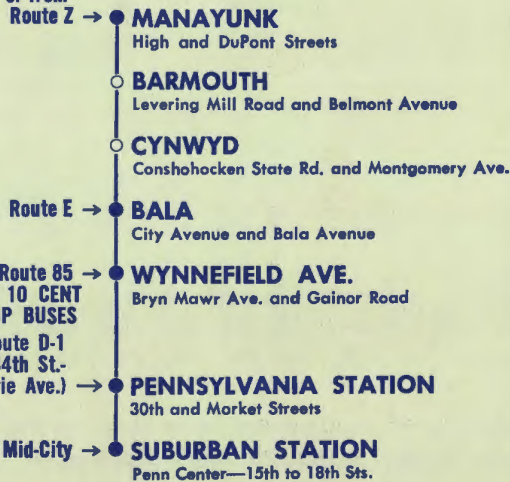

"Operation Manayunk" is a cooperative transportation project of the City of Philadelphia and the Pennsylvania Railroad, to provide improved local train service at reduced fares on the Philadelphia Manayunk line of the Pennsylvania Railroad. It is managed by the Passenger Service Improvement Corporation and it is similar to six other "Operations" established by PSIC and the Southeastern Pennsylvania Transportation Compact to serve Philadelphia and adjacent suburbs on lines of the Pennsylvania and Reading Railroads. Separate timetables, fare schedules and other information covering each "Operation" are available at ticket offices.

Convenient, economical connecting bus service is provided at several stations within the City through the cooperation of the Philadelphia Transportation Company (PTC). Improved and enlarged parking facilities at certain stations are planned during 1963. A number of new air-conditioned electric commuter cars to be installed in 1963 will provide greater comfort and faster schedules.

We appreciate having you as a customer and thank you for your cooperation in helping to make "Operation Manayunk" a continuing success.
