George Washington's
200th Birthday
1732-1932

All over the United States and in many other parts of the world, the Two Hundredth Anniversary of the Birth of George Washington will be celebrated during more than nine months of 1932. Every American will want to do his and her part in the great series of historic events in honor of the Father of Our Country.

As planned by the United States George Washington Bicentennial Commission, this greatest celebration in our history will not be confined to one locality. Every State, City and Town; every organization and institution; every home and individual will participate.

Personally
Conducted TOURS
Washington

. . . are operated during the Spring and Fall at low fares covering sight-seeing trips and all necessary expenses during the stay in the Capital City.

An illustrated and explanatory folder may be obtained from your ticket agent.
