SEPTA

NOW IT'S SEPTA

The Southeastern Pennsylvania Transportation Authority recently assumed responsibility for public contracts covering all commuter rail lines serving the Counties of Bucks, Chester, Delaware and Montgomery, and the City of Philadelphia. With this new action, SEPTA took its first operational step toward providing the region with a well-balanced, coordinated public transportation system encompassing railroad and transit.

Experiences of the City and the Counties have proved that the public needs and will respond to improved transportation services. Your support and patronage on SEPTA-sponsored "Operations" will aid the further development of the region as a pleasant place in which to live and work.
