### "THE BROADWAY"

New York . . Chicago 1734 hours

THE finest train on the Pennsylvania Railroad—that's the Broadway Lim-ited. It is the acknowledged leader of the largest fleet of trains in America.

For an extra service charge of ten dollars, you enjoy the fastest and most convenient schedule made between New York and Chicago—and countless little luxuries of service and equipment that make your trip a real pleasure.

The Broadway leaves each city 45 minutes later than any train of comparable schedule—giving you more time for last-minute business before you get aboard. It offers the nearest thing to an overnight schedule these great cities have ever had.
