A Wartime Request

When Ticket Offices are open for the sale of tickets please purchase same before boarding trains. Failure to do so imposes an unnecessary burden upon Conductors and Collectors and slows up their normal duties.

This cooperation on your part will help keep our railroad transportation system at peak efficiency during this national emergency.

FORWARDING OF BAGGAGE—Passengers are advised, whenever it is possible to do so, to check baggage in advance so that it may be forwarded on a preceding train. Every effort will be made to facilitate the handling of baggage, but the Railroad cannot guarantee to forward baggage on same train with owner; nor can time of arrival at destination to which checked be guaranteed.

RESPONSIBILITY—The Pennsylvania Railroad is not responsible for errors in time tables, nor for inconvenience or damage resulting from delayed trains or failure to make connections, or for shortage of equipment. The schedules and equipment shown in this time table are subject to change without notice.
