SPECIAL INSTRUCTIONS.

East bound trains on branch roads and on single track have absolute right of track over same or inferior class running in the opposite direction.

No train will enter on single track until Conductor first ascertains that all trains having right of way have arrived. Note Rule 91.

Trains on branch roads will run regardless of the right of an opposing branch train that is to be run by the same engine and crew.

East bound passenger trains on double track east of Trenton will have the right of way to stations over west bound trains.

West bound passenger trains on double track west of Trenton will have the right of way to stations over east bound trains.

Local passenger trains will give preference at stations to through express trains.

Rule 90, Book of Rules.—All Trains must approach the end of Double Track, Junctions, Railroad Crossings at grade, and Drawbridges prepared to stop, and must not proceed until the Switches or Signals are seen to be Right, or the Track is plainly seen to be clear.
