

NOTE:-

Tie Tongs shall be made of soft steel or good wrought iron and weigh not more than 11 lbs. nor less than 9 lbs.
All tongs must have manufacturer's name and the letters "PS" in keystone stamped plainly in the metal.

77000-A

The logo for the Pennsylvania System Standard Tie Tongs. It features the words "PENNSYLVANIA SYSTEM" in a stylized, italicized font at the top. In the center is a shield-shaped emblem with a stylized "P" inside. Below the emblem, the word "STANDARD" is written in a bold, sans-serif font. At the bottom, the words "TIE TONGS" are written in a bold, sans-serif font.
