

**NOTE:-**  
All Track Gage Test Templets must have the manufacturer's name or trade-mark, The Pennsylvania Railroad Monogram, year manufactured, 4'-8 1/2", 4'-8 3/8" and 4'-6 3/4" plainly stamped in the positions indicated. In cases when Track Gage Test Templets are made in P.R.R. Shops the name of shop shall be given in place of manufacturer's name or trade-mark. When checking Track Gages care must be exercised to see that both fingers on the fork end are touching the angle before the single finger on the other end is put into position.
